

10-Point Plan To End British Crisis—Cripps

Britain Gets Freer Hand In ERP Spending

Washington, Sept. 12—(AP)—The United States, Britain and Canada today announced a 10-point program which Sir Stafford Cripps said would bring Britain's dollar crisis under control and pave the way for her economic comeback.

The program, announced after an emergency conference, includes steps to give Britain a freer hand in spending Marshall Plan dollars and open the doors of Canada and the United States a bit wider for British goods. The aim is to permit Britain to earn more dollars and conserve those she has.

Cripps, British chancellor of the exchequer, said the three-power decision "certainly" would halt further dangerous drains on Britain's gold and dollar reserves and put the nation in a position to advance economically.

Reserves Dwindle
The last British reserves had dwindled to around \$1,400,000,000 before the conference began last Wednesday—\$600,000,000 below the British "minimum" safety level.

He saw the agreement as an important aid to winning the cold war. "The results of the conference are all part of our determination to deal with the cold war," he said. "This makes a very distinct and important contribution to strengthening the democracies."

In announcing their agreement, however, all three governments reaffirmed anew that their plan of action is based on the "assumption that extraordinary aid from the North American continent would have to come to an end by the middle of 1952."

This puts Britain and the other western European governments on notice that the United States intends to end the multi-billion dollar Marshall plan on schedule and that they must take immediate steps to become financially independent by then.

Four Trade Concessions
The 10-point program for attacking Britain's dollar crisis involved four immediate trade concessions to the dollar-short British by the American and Canadian governments. The other six were in the form of promises by the two countries to review and consider changes in such touchy policies as tariff, shipping, and general purchasing programs.

The first two steps are:
1. Permission from the United States for Britain to use its Marshall plan dollars for a "wider range" of products. Britain had urgently requested this permission, particularly for purchase of Canadian wheat which it has been buying with its own scarce dollars. Under present rules Britain must confine its Marshall plan purchases of wheat to the United States.

2. A pledge by Canada to increase buying of strategic tin and rubber from British areas and a United States promise to review its stockpiling program to see if it can do the same.

The United States also said it is prepared to modify present rubber regulations in order to give Britain's natural rubber exports a greater market in this country. The present regulations, adopted as a defense measure, require many manufacturers to use a certain percentage of synthetic rubber, which is produced in this country.

Ruled Mailman Should Stay Away When Not Wanted

Trowbridge, Eng., Sept. 12—(P)—A British court ruled today that a postman has no legal right to deliver mail at a house where he isn't wanted.

Col. Stephen Scammel, 35, appeared from a conviction of assaulting postman Ronald Bennett, 48. Scammel said he had heard Bennett tell a woman "Scammel is a German."

He said he told the postman never to darken his door again. Bennett called with the mail the next day. Scammel said, and he chased him off the premises.

The court threw out Scammel's conviction with this finding: "A postman has no more right to enter premises after he has been told not to call than has a fish man or a baker."

PAINTER FOUND DEAD

Chicago, Sept. 12—(P)—Thurs. Lindgreen, 50, a painter employed by the board of education, was found dead in his room yesterday. He is survived by his ex-wife and a daughter, both of whom live in Rockford, Ill.

Murder Trial Ritual Revived In Delaware

Dover, Del., Sept. 12—(P)—Escorted by spear-carrying attendants, a plump widow and her 16-year-old son were hauled into court today to stand trial for the lonely hearts slaying of an elderly carpenter.

The court of Oyer and Terminer was jammed when the attendants marched the manacled 45-year-old widow, Mrs. Inez Brennan, and her tall, handsome son, Robert, into the prisoner's dock.

They are charged with murder in the shooting of Wade N. Woodridge, 67, of Bedford, Va. Mrs. Brennan is accused of ordering her son to kill Woodridge, whom she met through lonely hearts letters, for his money. Woodridge's body, it is charged, was buried, later dug up, burned and tossed on the city dump of this capital city of Delaware.

Ten men and two women were chosen as jurors in less than two hours. The trial, expected to last for two weeks, opened with the old English murder trial ritual to which Delaware courts still adhere.

Mrs. Brennan and her son were marched into the court, handcuffed together, between two attendants who carried black, 10-foot spears. The spears have pointed heads, painted red on one side, white on the other.

During the trial the attendants hold the white sides of the spears towards the court, symbolizing the presumed innocence of the prisoners.

If a verdict of guilty is returned, the spears will be turned with the red side facing outwards.

A so-called mystery witness, whose testimony has been kept secret by the prosecution, was in the courtroom guarded by state police. She is Mrs. Dolly Thompson Dean, 26, a war widow who was a boarder at the Brennan farm at the time of the killing.

A murder conviction in Delaware carries the maximum penalty of hanging. The prosecution has not indicated that the death penalty will be asked, but as each juror was questioned today he was asked his attitude on capital punishment.

Those who said they were opposed to it were excused.

Senate Receives Arms Aid Bill

Washington, Sept. 12—(P)—The Senate today received a bill to provide arms aid to China.

The bill, known as the China Aid Act, would authorize the president to provide arms and military equipment to China.

The bill was introduced by Sen. Charles McNary (D-Or.) and is expected to pass the Senate in the near future.

The bill is part of a larger program of aid to China, which includes economic and technical assistance.

The bill is expected to be passed by the Senate in the next few days.

The bill is a response to the growing military needs of China in the face of the communist threat.

Aiken Says His Bill Gives High Prices For Wheat, Cotton

Washington, Sept. 12—(P)—Senator Aiken (R-Vt.) said tonight existing law provides for high price props for wheat and cotton and those who tell farmers otherwise are guilty of misrepresentation.

In the face of a new administration drive to force a farm bill through congress, Aiken defended in a statement the flexible support law he helped to write in the last congress. It is due to become effective next Jan. 1.

He said he thinks that law requires 1950 support of wheat and cotton prices at from 83 to 90 percent of parity.

He called this "a far cry from the misrepresentation of those who tell the wheat and cotton growers that they will get 60 percent support under the 1948 act." Aiken named no names.

Parity is a calculated price designed to give farmers a return, in relation to things they buy, equal to that in some past period favorable to agriculture.

The government supports farm prices by buying up surpluses, by making direct loans to farmers and other methods. Portions of the cost not recouped by resale of purchased commodities are made up by taxes.

Union Heads Turn Down Proposal To End MoPac Strike

St. Louis, Sept. 12—(P)—Union leaders tonight turned down a company proposal to end the four-day-old strike against the Missouri Pacific railroad.

At the same time, however, they agreed to meet again with railroad officials at 1 p.m. (CST) tomorrow.

The company's plan to end the strike was submitted to the four striking brotherhoods at a meeting arranged today by a newly-created citizens' committee.

Union officials went into separate closed sessions at 3 p.m. and considered the proposal until 4:30 p.m., when they announced they could not agree to the railroad's terms.

The proposal asked that:
1. The striking brotherhoods and the railroad establish a permanent method of settling claims in the future.

2. The strike be ended when a system was agreed on.
3. Past claims, over which the union is striking, be liquidated in future negotiations.

R. E. Davidson, assistant grand chief engineer of the brotherhood of locomotive engineers, said the unions could agree only "in part" on this plan. He would not elaborate.

Faye Emerson Says She Will Divorce Elliott Roosevelt

New York, Sept. 12—(P)—Blonde Actress Faye Emerson said today that she and Elliott Roosevelt have separated and that she plans a divorce from the second son of the late president.

They were married in December, 1944. It was her second marriage and his third.

Mrs. Roosevelt said she planned to begin divorce proceedings as soon as she finishes the motion picture, "Guilty Bystander," which she now is making in New York.

An unsigned statement handed out by her representative in Mr. Roosevelt's presence at a West 57th street studio said:

"Faye Emerson confirmed today the report that she would seek a divorce from Elliott Roosevelt. Miss Emerson said 'I'm sorry to say that Mr. Roosevelt and I have been separated for some time and I plan a divorce when I have finished my current motion picture.'"

"Elliott and I parted on friendly terms," Roosevelt, in Providence, R. I., for a speaking engagement, said the domestic rift "is a personal matter—I have no comment."

US Backs Research To Find Device To Replace Heart

Washington, Sept. 12—(P)—The search for a "mechanical heart" won federal financial backing today.

Surgeons desperately desire such an organ to function for the human heart during operations upon it.

The public health service, announcing \$8,614,737 in new grants for the nation's heart research program, gave \$26,827 to Jefferson medical college, Philadelphia, for the project.

Senate Goes Into Night Sessions To Pass Reciprocal Trade Bill

Washington, Sept. 12—(P)—Administration leaders today called for overtime night sessions of the Senate in an effort to drive the reciprocal trade agreements bill through by the end of the week.

Democratic leader Lucas of Illinois scheduled the first night session for tomorrow.

He said he hopes the Senate will agree to vote on Wednesday on the so-called peril points issue, regarded as the major test on the bill.

Debate was to have resumed today, but the Senate met for only 25 minutes and then recessed until tomorrow in tribute to Associate Justice Wiley B. Rutledge of the supreme court, who died in Mainz on Saturday night.

The 15-year-old reciprocal trade agreements act, an important and hotly-disputed phase of the country's foreign policy, permits the president to cut U. S. tariffs in exchange for cuts other countries agree to make on imports of U. S. goods.

The House has already acceded to President Truman's request and voted to extend the act without the peril points provision which was written in by the republican-controlled congress.

This provision requires the tariff commission to determine the points beyond which tariff cuts cannot be made without endangering domestic producers. If reductions beyond those peril points are made, the president is required to inform congress of the fact.

GOP senators generally are expected to vote in favor of keeping the provision.

Lucas, talking with reporters after he and Vice President Barkley conferred with Mr. Truman at the White House, conceded "that the vote on the issue will be 'pretty close.'"

But he said he thinks the administration will win the fight to keep the peril points provision out of the bill.

Heuss Elected President Of West German Republic

Bonn, Germany, Sept. 12—(P)—Theodor Heuss, white-haired professor who authored 20 books burned by the Nazis, was elected first president of Western Germany tonight.

In an acceptance speech he pledged to make the infant republic "a living democracy." He was sworn into office immediately.

In an interview just before his election, he urged an early withdrawal of occupation troops, unity of the western and eastern zones, Germany's admittance to the Council of Europe and close relations with France.

Elected On Second Ballot
Heuss, 65-year-old chairman of the Conservative Free Democrats, third largest party in Western Germany, was elected on the second ballot by the federal electoral assembly.

Kurt Schumacher, an armed victim of Adolf Hitler's concentration camps, was the candidate of the Social Democrats, second largest party, and received 212 votes.

Heuss received 416 of the 800 votes, made up mostly from a solid combination of support from three conservative parties which hoped to rule Western Germany—the Christian Democrats, largest in Western Germany; Free Democrats and the small German party.

A third candidate from the Centerist party, Dr. Rudolf Amelungen, received 30 votes. Dr. Hans Schlangensiefen, a Christian Democrat, received two votes and 37 electors abstained.

Conservative Coalition
The circumstance of Heuss' election—a solid lineup from the three conservative parties—seemed to assure the naming of the Christian Democratic leader, Dr. Konrad Adenauer, as chancellor (prime minister).

The chancellor, to be nominated by the president, will wield the real power in Western Germany. The presidency is largely a figurehead position. The new president will serve for five years.

Upon installation of the president, chancellor and cabinet appointed by the chancellor, allied military government in Western Germany will face out. The three western occupation powers will replace their military governors with high commissioners who will retain limited direction of German affairs under an occupation statute. The powers will have authority, however, to step in when necessary to protect their security.

First Winter Cold Will Send Mercury Tumbling In U.S.

By the Associated Press
Winter moved in on the Great Plains states Monday and posed a storm threat along the eastern seaboard.

The season's coldest weather over-spread Montana, Wyoming and the Dakotas, sending the temperature to as low as 20 degrees at cut bank, Montana.

Man Sought In Rape Of Girl, 9, Captured By FBI

Rockford, Ill., Sept. 12—(P)—L. B. Williams of Springfield, Mo., drove here last week to visit a friend. He left his car parked near a street intersection for several days.

Today, deciding to drive back, he went to get his car. His report to the police said he found it—with engine, transmission, differential, front axle assembly, tires and tubes missing.

The season's coldest weather over-spread Montana, Wyoming and the Dakotas, sending the temperature to as low as 20 degrees at cut bank, Montana.

An Alaskan storm spread more than a foot of snow over some Montana areas and moved into Wyoming and the Dakotas.

The Weather Bureau advised shipping and residents along the east Coast Monday night that a "typical winter time" blow was moving northward about 100 miles east of Cape Hatteras, N.C.

The cold air in the western sector was moving eastward in a modified form and was expected to send temperatures in the midwest down to around 50 degrees by Wednesday.

In contrast, warm weather continued in Oklahoma and Texas and in the southern states, with Yuma, Ariz., registering 100.

A general shower and rain area extended from Missouri through most of Illinois and Indiana to Wisconsin and Michigan. Temperatures were fairly mild from this area to the New England states, where cooler weather prevailed.

CINCINNATI STOCK EXCHANGE WILL NOT MERGE WITH CHICAGO

Cincinnati, Sept. 12—(P)—Members of the Cincinnati stock exchange voted, 11 to 8, today against a proposal to merge with the new Midwest Stock Exchange in Chicago.

The proposed merger would have joined the Cincinnati exchange with those in Cleveland, St. Louis, Minneapolis-St. Paul and Chicago in a regional exchange with headquarters in Chicago.

The new group is to be set up Sept. 15.

Assail Murray For Not Demanding Wage Increases

Chicago, Sept. 12—(P)—Two rebellious CIO leaders today assailed Philip Murray, CIO president, and one of their unions unsuccessfully urged Murray and the CIO steelworkers to insist on a fourth round wage boost.

The CIO Mine, Mill and Smelter Workers convention heard the speeches and then called on Murray to reject the presidential fact-finding board's report in the current CIO steelworkers dispute. The report doesn't recommend a pay raise.

The steelworkers, hours later in Pittsburgh, accepted the board's report and agreed to an 11-day steel strike truce extension.

The criticisms of Murray's regime were made by John Clark, Great Falls, Mont., president of the smelter workers, and by Grant Oakes, Chicago, president of the CIO Farm Equipment Workers union.

They said the Murray leaders have "officially blessed" CIO union raiding of members from other CIO unions and are making the CIO "a division of the Democratic party," habit.

Murray Gives Up Wage Boosts

Pittsburgh, Sept. 12—(AP)—CIO steelworkers gave up their fight for a fourth round wage increase today and called off a strike set for tomorrow midnight.

The big union accepted both President Truman's request for a 11-day extension of the strike truce and recommendations of a presidential fact finding board aimed at solving the steel wage dispute.

President Philip Murray of both the CIO and the United Steelworkers told Mr. Truman in a telegram he gave up the wage increase demand "with profound regret" but agreed to the board's recommendations "in the interest of concluding a prompt settlement."

Truman—No Comment
In Washington, the White House said President Truman had no comment on the CIO reply. There was no immediate answer from any of the steel companies.

Six of the nation's major steel producers have accepted the truce extension request. No company has yet given its answer on the board's formula.

President Truman's three-man panel suggested that workers forego a wage increase and that both sides agree to a 10-cent hourly increase package covering insurance and pensions. The steelworkers asked a 30-cent package also including the wages.

The union's decision was made in day-long meetings of its executive board and wage policy committee at Hotel Sheraton. The acceptances were made in the form of a resolution which Murray said was adopted unanimously by the 176-member committee.

Gives Newsman Answer
At the conclusions of six and a half hours of sessions, Murray gave newsmen copies of the resolution and the telegram sent the White House.

The telegram, which summarized the resolution, said in part: "The union will extend the period for continued work and operations under the terms of the collective bargaining agreements in effect between the union and the various companies until 12:01 a.m., Sept. 25, 1949."

The telegram repeated the steelworkers' "firm belief that the union's proposal for 12 cents per hour increase in wages currently payable is completely justified and was amply supported by the evidence produced before the board," adding:

"Nevertheless, in the interest of concluding a prompt settlement of the existing labor dispute in the basic steel industry and in recognition of the public interest in this dispute, the international executive board and the international wage policy committee of the United Steelworkers of America hereby authorizes the international officers of the United Steelworkers of America to accept the recommendations of the steel industry board as set forth in its report to the president."

Union Postpones Strike On Union Railroad In Pa.
Cleveland, Sept. 12—(P)—The brotherhood of railroad trainmen has agreed to postpone a strike on the Union Railroad company at Pittsburgh set for 5:30 a.m. (CST) tomorrow.

The brotherhood office here quoted Brother President W. P. Kennedy as saying the union will discuss the dispute in Washington Wednesday with the National Mediation Board.

But any time during or after the conversations, a strike could be called within 24 hours, said a brother spokesman.

Earlier this afternoon, a brotherhood spokesman said his union would accept the board's request to postpone the strike two weeks.

However, he added, the brotherhood president has since advised his office it will not stand by a two-week fixed period but will retain the right to strike at any time.

The strike would idle thousands of steel workers in Pittsburgh mills. It even though the interplant railroad walkout itself would involve only 1,200 men.

Drug Addict Gets Four Months In Hospital For Theft

St. Louis, Sept. 12—(P)—Wilfred F. Sparks, 41, who deliberately forged a prescription for morphine last month in order to be committed to the Federal hospital at Lexington, Ky., for treatment, today was sentenced to the hospital for four months.

Sparks pleaded guilty before Federal Judge Roy W. Harper and placed himself at the court's mercy. In passing sentence, Judge Harper commented that Sparks' case was one calling for medical rather than criminal treatment.

Sparks said he had twice voluntarily entered the hospital, but had been let out before he was cured of the drug habit.

WRECK CUTS OFF POWER IN TUSCOLA

Tuscola, Ill., Sept. 12—(P)—Electric power was shut off for about two hours in the Tuscola area today after an automobile knocked over a 35-foot light pole.

The accident occurred during a rain storm at nearby Arcola. The driver of the car was not hurt.

Urges US Become Hard-Headed, Not Hard-Hearted

Rockford, Ill., Sept. 12—(P)—Senator Douglas (D-Ill.) said today the nation "can become lean and hard-headed without becoming hard-hearted."

He said that extraordinary domestic and foreign claims on government spending which are "important and unavoidable" make "one penny spent on frills one penny too much."

The junior senator addressed a civic dinner of the Rockford Chamber of Commerce tonight on the first day of a state tour, ending Sept. 20, to "report to the people and survey their sentiments."

Earlier today he addressed the Rotary club at Rockford, Ill., and visited Cedarville, Ill., where he laid a wreath on the grave of Jane Addams, founder of Hull House in Chicago's slums. Tomorrow he will speak at Rock Island.

Politicians Turn To Primary For Preview Of 1950

Philadelphia, Sept. 12—(P)—Democrats and Republicans eyed Pennsylvania today for a preview of the 1950 congressional battles.

Pennsylvania's primary tomorrow brings to a climax the pitched battle for the 26th congressional district seat left vacant since the death of Rep. Robert L. Coffey, Jr. (D-Pa.), in a plane crash last April.

The balloting for the congressional seat is a special election, held in conjunction with the primary. It provides the nation with its first test ballot since the general election last November.

And the no-holds-barred campaign has been waged largely over the Taft-Hartley law and war veterans in public office.

The Democratic candidate is the late Rep. Coffey's mother, Mrs. Ethel Coffey, 55-year-old matron and political novice. Opposing her is Republican John P. Saylor, 41-year-old Johnston lawyer and a naval war hero.

It was Saylor who supplied the flag raised by the marines at Iwo Jima.

The race apparently will be close.

On What's Wrong With
The Way Women Dress

BY HAL BOYLE

New York.—(P)—A mere male
came up today with an answer to
what's wrong with the way women
dress.

The answer is—women.

"They are too dictated to," said
Charles Le Maire. "They accept too
much dictation as to what they
should wear."Le Maire is in a position to do a
little dictating himself. As wardrobe
director for Twentieth Century-Fox
films, he runs a staff of 200 clothes
experts. They have the pleasant
chore of fitting lace and fur pretties
to girls like Betty Grable, Jeanne
Crain, Dorothy McGuire, June Ha-
ver and Maureen O'Hara.But the clothing of film stars is
designed to their own personal
architecture. This isn't true of the
average woman.

Should Dress To Her Shape

Le Maire, a designer himself, said
the biggest mistake most women
make is to follow blindly the dic-
tates of fashion oracles—or to try
to pour herself into a certain type
of dress merely because "it looked
good on a department store manne-
quin.""A girl shouldn't pay any attention
to what she hears of Paris styles," he
emphasized."She should think first of her own
shape and dress to it. If her figure
doesn't go with what she wants to
wear, then she should change her
shape."Le Maire has only a weary sym-
pathy for gals who think they can
achieve a pencil silhouette with a
tight corset."The excess flesh has to go some-
where," he signed. "It has to go
either up or down, forward or back-
ward."

For Plunging Neckline

This, he explained, is why there
are so many girls around who look
like they have either a front or a
rear bumper.An advocate of the plunging neck-
line, Le Maire has no moral objec-
tions to falsies but insists he doesn't
allow them in the Twentieth Century-
Fox studio."That I absolutely prohibit. Any-
thing that isn't part of the body—
anything that doesn't move with the
body—it isn't right.""But some studios like them," he
conceded. "Everybody in their pic-
tures wear them. I know one actress
who must have 50 bosoms at home."No, he didn't care to name her—
but fans can rest assured it isn't
Grable.Le Maire designed wardrobes for
Broadway musicals and operated his
own exclusive dress shop in Man-
hattan before going west.Fashions In Confused State
He sees fashions today as in a
confused state, but believes the
trend is toward an era of quiet ele-
gance."Of course," he said, "a girl can
be quietly dressed in a red gown."Her personally favors clothing
that accents femininity, styles that
accent sex through subdued sugges-
tion."Flo Ziegfeld used to say he didn't
want naked girls on the stage—un-
less they had something on to make
them look naked," smiled the de-
signer.Le Maire's own favorite dictates:
"No dress is as important to a
well-dressed girl as what she has
underneath it. The big mistake the
average girl makes is she doesn't
dress herself for herself. She tries to
follow a vogue.""Clothes don't make the woman
anyway—they only make her talked
about."Mrs. Edith Lewis,

THE DOCTOR SAYS Shock Treatments Give Hope Against Mental Diseases

By Edwin P. Jordan, M. D.
Written for NEA Service

Those who have a mental disease are just as truly ill as are those who have a broken bone, a tumor or some other trouble which can be seen or felt. In the not too distant past those who suffered from a mental disease were often kept in chains or

solitary confinement, were beaten, and no effort was made to get at the bottom of the difficulty. Reform finally came in most places and the mentally ill came to be treated more humanely. It was finally recognized that people who were mentally sick were no more responsible for their condition than those who had some obvious physical disorder.

Since 1928 new hope has arisen for many patients with mental conditions because of the discovery that some mentally diseased people may be improved by giving them shock treatment. At first shock was promoted by giving large doses of insulin (which is used in the treatment of diabetes).

Disadvantages Found

In large doses this insulin causes a type of reaction which doctors call shock. The mental condition of many of the mental patients who received this shock treatment cleared up. However, certain disadvantages were found with insulin. A substance called metrazol was then tried. This also produced shock.

Several years later electricity began to be used to give the shock treatments and this, too, brought about good results in many cases. Now electric shock is probably used most often and, although these treatments do not cure all mental patients, they do help in many cases. Usually several shock treatments have to be given before the best results are obtained.

People who have friends or relatives whose cases warrant trying shock treatment ought not to expect too much. It does not always work, but it offers hope to many.

Note: Dr. Jordan is unable to answer individual questions from

readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS

By Edwin P. Jordan, M. D.

QUESTION: Are brown spots under the skin caused by something in the diet?

ANSWER: Sometimes brown spots on the body are called liver spots, but this is an incorrect term. Several different conditions can cause brown spots to develop, including skin diseases called tinea verrucosa and chloasma.

Faculty Members At New Berlin Enjoy Picnic

New Berlin—The women members of the faculty of the New Berlin high school entertained the other teachers at a picnic at Lake Springfield.

In charge of preparations were Miss Kirkwood, Miss Steepleman and Mr. Waruke. A social period followed the supper.

A family reunion was held at the home of Mr. and Mrs. Edwin Washburn, with Mr. and Mrs. Dewitt Montgomery of Philadelphia, Pa., Mr. and Mrs. Dewitt Montgomery, Sr., and Miss Margaret Canterbury of Springfield attending.

Mr. and Mrs. Andrew Ferrell of Houston, Tex., are visiting here part-time. Mr. and Mrs. John Haurahan, Mr. and Mrs. Lawrence Rinaldo spent the week in Madison, Wis., where they attended the municipal workmen's meeting.

FIREMEN BATTLE BLAZE AT WINCHESTER

Winchester and Jacksonville firemen battled flames for several hours Saturday afternoon and evening at the R&W dress factory in Winchester, which was almost a total loss. The firefighters kept the blaze from spreading to nearby buildings, and their efforts were watched by a large crowd. The picture shows two streams of water being played into the burning building and a section of the crowd in the vicinity of the factory.

Ways to Save

If you were a native of the central Andes you would save for the future by making "cabulla" rope in your spare time. Cabulla is the native name for the tough inner fibres of the yucca plant. Cabulla strands are twisted with horse hair and braided into an extremely strong rope. Coils of cabulla rope are valuable possessions and are sometimes wapped around the waist for safety from theft.

Aren't you glad you don't have to wear your savings in a belt around your waist? And aren't you glad that your savings earn a profit at the same time they are SAFE at Jacksonville Savings & Loan Association? It's easy and convenient to save money at Jacksonville Savings & Loan Association. Stop in and let us explain. **JACKSONVILLE SAVINGS & LOAN ASS'N.**

Worried Over Health, Aged Man Hangs Self

A coroner's jury meeting at the Gilliam funeral home last night found that George Tholen, 72-year-old Jacksonville man, came to his death by his own hands. His body was found hanging in the garage of his home, 1506 West Lafayette avenue, about 6 p. m. Sunday.

The jury heard five witnesses: Mrs. Anna C. Tholen, who found the body of her husband suspended from a stringer in the garage; Mr. and Mrs. Ray DeSilva and Byron Scirelli, neighbors whom she called for assistance, and Police Officer Charles Runkel, who responded to a call for help.

Periodically Dependent

The jurors learned that Mr. Tholen had been in ill health for some time and was periodically dependent.

Deputy Coroner Roy Covington conducted the inquest. The jurors were Fred Wells, Jr., foreman; Fred Shearburn, John F. Tobin, James Baptist, Charles Ainsman and William Hartle.

Mrs. Nancy Schindler was the inquest stenographer.

Mr. Tholen's death occurred sometime between 3 and 6 p. m. He was seen sitting in the garage at 3 p. m. when Mrs. DeSilva called there to visit Mrs. Tholen and learned that she was not at home.

Deputy Coroner Roy Covington was notified and went to the home to make an investigation preparatory to holding an inquest. The remains were removed to the Gilliam Funeral Home.

Mexico-Italy Talk Barter

Mexico City—(AP)—Mexico would be glad to trade more goods with Italy. She might even take small complete industries from Italy, machinery, materials and workers with the know-how. One of these barter deals—Mexican sugar for Italian rayon yarn—has been successfully concluded. It was for a value of "several million dollars." Both sides were satisfied but the deal will not be renewed. Mexico now produces all the rayon she needs and Italy has found a cheaper place to buy sugar. Barter deals are not as easy to arrange as they seem. Two countries must first find products they can export and which the other needs. Then they have to agree on the value of these goods for trading purposes.

It is said that some stars reach a temperature of 500,000,000 degrees above zero Fahrenheit.

SEE BARD—SEE BETTER—SAVE MONEY

The glasses you need will give you better sight and better looks. By relieving eye-strain, brain fatigue, and frequent headaches, you look and feel more alert... and better. 7 Blueboy Gridders Injured In Scrimmage; Preps Work In Rain

Seven Illinois college gridders were sidelined with minor injuries yesterday as Blueboy Mentor Al Miller conducted another of those savage scrimmage sessions that has marked Hilltopper practices for the past three days.

All of the injuries were reported by light, and the athletes will return to drills today. Sam Spink, hefty tackle who injured his knee the first day of practice, continues in the inactive list.

Injured collegians were Ralph Christian, lanky end who lettered as a freshman last year; Bob Scheller, another returnee who runs from the quarterback post; Don Loner, captain and end and Bob Smith, new QB transfer from the Galesburg U. of I. extension. Baker, Clark and Grimm, second-string linemen, complete the disabled list.

Kraushaar Seeks Starters

High school coaches also ran their charges through scrimmages in yesterday's steady rain which started too late to catch the collegians.

Bob Kraushaar, beginning his last lap of practice before the Crimmon-Pittsfield opener here Friday night, viewed a scrimmage with all thoughts directed toward a starting lineup for the coming weekend.

The J. H. S. tutor announced that 27 men will dress for the '49 inaugural. When asked to compare this year's crop of gridders with the '48 club, Kraushaar confided, "our backfield is better balanced this year, and our line is stronger. We're going to be tough."

The Crimmons will practice under the lights tonight.

Kraushaar refrained from an-

nouncing a starting eleven at this early date. "Several positions," he said, "are still on the fence, between two candidates."

Route Enthusiasm High

Route's six-man camp under the generalship of Coach Paul Stroud is still steeped in high enthusiasm as the Rockets prepare for their first football schedule in five years.

Stroud's athletes will open their slate in the newly organized 2-C six-man conference Sept. 22 when they tangle with Arenzville here under the lights.

Most impressive runner in yesterday's scrimmage was Sonny Loneran. An agile breakaway runner, Loneran is described by his coach as "a natural." Like all other 2-C athletes Loneran has never played football.

ISD In First Scrimmage

Art Yates started tuning up his ISD eleven during a rainy scrimmage session yesterday. Starting practice Sept. 13, this was the week's first try under simulated game conditions. During the 30-minute drill, Yates indoctrinated his deaf gridders in 6 plays. The Tigers open against Carrollton Sept. 24 in an afternoon game on the ISD field.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 12.—(P)—While hogs were moving mostly 50 cents higher today, steers and heifers forged ahead 50 cents to \$1.00 and some sales as much as \$1.25 to \$1.50 above Friday's levels. Other cattle were strong to 50 cents higher, but lambs were weak to 50 cents lower, yearling weathers steady, and ewes steady to strong.

Choice butcher hogs topped at \$22.75, most good and choice kinds taking \$20.75 to \$22.50. Sows were mainly \$16.75 to \$20.50. These levels were the highest in a month. Clearance was completed early.

Choice to prime steers ran to \$33.10 and choice heifers to \$29.65, both new peaks for the last eight months. Several loads of high-choice steers brought \$32.50 to \$32.75 and high-good and choice material claimed \$29.50 to \$32.00. Good and choice heifers fetched \$26.50 to \$29.00. Good cows topped at \$19.00, sausage bulls at \$20.50, and vealers at \$26.00 for choice steer calves and \$23.50 for good Montana feeding steers.

Good and choice native lambs sold between \$23.50 and \$24.50, the day's top. Yearling weathers topped at \$21.50, western ewes at \$9.00, and native ewes at \$8.50.

Among the salable receipts were 8,500 hogs, 14,000 cattle, 500 calves, and 2,000 sheep.

TODAY'S BIT OF BAD NEWS

Comes word from Decatur that Herb Kell is drilling 78 Millikin gridders in preparation for the upcoming Illinois College home opener.

The largest Big Blue turnout in a decade, Kell also expects it to shape into the best team in as many years. Heading the Millikins will be Halfback Don Shroyer, a three time member of the ICC All-Conference first eleven. Vital statistics on Shroyer: 5 ft. 10 in. high, he weighs 170 pounds, is 23 years old and can pivot on his little toe. Just so you Illinois College huskies know what to look for come the evening of Sept. 23.

In his frenzied quest for a kicking halfback, Illini mentor Ray Eliot yesterday promoted junior Don Laz to the varsity. Laz, a pole vaulter in the springtime, has certainly worked himself up from the ranks. Weighing only 160 pounds, he played on the J-V eleven last year.

Pounding down the home stretch to a foto flag finish, the New York Yankees breathed a little easier when they could see daylight and three games separating them from the itchy Red Sox. The Athletics fostered Yank hopes considerably when they grazed the flag-pole under the Sockers Sunday afternoon.

From where we sit it's a sad tale that Red Rolfe will have to spin these long winter nights. His late-starting Tigers, when they finally got underway, finished strong but in a poor-paying third.

It's getting so a fan can't see six National league entries for the dust the Cards and Dodgers are raising. The field stretches far out among the next six senior-leaguers. The Phils, in third position, are 14 games in the wake, and alas the floundering Cubs are 34 games submerged in that dark, dank cellar. A battle rages between the Braves and Giants for third place. The clubs are tied, each 20 games in the backwash.

By the way, The Cardinals have recalled Whitey Kuroski from Houston to help out in the pennant drive. Sent to Texas to nurse his sore elbow, the third-sacker hit .265 at the rest camp.

Grid Champs Retain 4 Rookies On Squad

Philadelphia, Sept. 12.—(P)—The greatest of all professional football teams and pointed out that one of the Chicago Cardinals coaches had labeled the team even greater than the 1940 aggregation of Chicago Bears.

The Eagles have beat the Cards 51-14, walloped the college all-stars at Chicago 38-0, beat Green Bay 35-0, turned back the Detroit Lions 45-14 and were tied 24-24 by the Los Angeles Rams in their exhibition tour.

They meet the Chicago Bears here Saturday night in the Philadelphia inquirer's charity game in their final tune up for their regular schedule.

Ben Hogan 'Tired' Of British Harping On Golfers' Diets

Ganton, England, Sept. 12.—(P)—Ben Hogan said today he is "sick and tired" of harping by the British press on the half-ton of meat brought to England by the American Ryder Cup golfers.

"Everytime I pick up a paper I read about that meat," the little U. S. captain declared. "I can't even find any golf news. Next time I guess we'll have to leave our clubs at home and just have a meat show."

The Ryder Cuppers brought 600 steaks, a half-dozen hams, 12 sides of beef and four boxes of bacon with them.

British reporters told Hogan they considered food the biggest news in these tightly rationed islands at the moment.

"Maybe so," Ben replied, "but you don't go around every day printing what Lord So-and-So had for lunch, or tea or dinner and I don't get your angle. Those steaks and hams have been in your papers for 12 days now."

"We brought it over for our own table and to entertain the British golfers and their wives," he said. "I'm sorry they've made such an issue of it."

Personnel of the United States team was completed with the arrival of Skip Alexander. He flew over after his wife gave birth to a daughter in Knoxville, Tenn.

Grace Lenzyk Knocked Out Of Women's Golf

Ardmore, Pa., Sept. 12.—(P)—A slim young matron from Dallas, Tex., practically speechless with amazement at her feat, today made certain that a new champion would be crowned in the 49th Women's National Amateur golf tournament.

She is Mrs. Joanne Barr Tracy, and nobody was more surprised than this 26 year old Texas mother when she eliminated defending champion Grace Lenzyk, one up, in the first round of the all-match play event at the Merion Golf club.

The victory of Mrs. Tracy, who is playing in her first national tournament, highlighted a day which saw the elimination of at least two other highly regarded performers and a futile battle against par on the part of all 128 entrants.

Peggy Kirk of Findlay, Ohio, runner up in the Western Amateur this year, was defeated by Mrs. James Ferrie of Long Beach, Calif., 3 and 2 and Beverly Hanson of Fargo, N. D., a semi-finalist in the national last year, bowed to Betsy Rawls of Austin, Texas, 3 and 1.

Other favorites for the most part breezed through their first round matches, with Dorothy Kirby of Atlanta, Ga., making a whirlwind out of her match. She defeated Mrs. Mary Longcope, Bronxville, N. Y., 9 and 7, for the biggest margin of the day, winning the last eight holes of the out nine after halving the first.

The heavyweights San Francisco golfer won \$1,000 first prize yesterday in completing the 72 holes in the Billy Swope Park public course with 277 strokes, eleven under par.

He got the final round in 70, two-under-par, after three successive 69s. As usual, Big Jim as frequently in the wooded roughs from the tees, but his irons got him close for the most consistent putting of the meet.

Dick Metz of Arkansas City, Kas., needing three strokes to catch Ferrier at the start yesterday, managed a 71 for a 281 total. He earned \$700. National open champion Cary Middlecoff, who said he was quitting the tournament after carding a 76 Monday and then changed his mind, also shot a 71. It was his third straight sub-par round and gave the Memphis dentist a 285 total. He tied for third place with Dave Douglas of Newark, Del. Each won \$500.

HAPKE TO ADDRESS WOODSON MEN'S CLUB
Roy Hapke of the Morgan county Abstract and Title company will speak on "The Part the Abstract Plays" at the next meeting of the Woodson Community Men's club.

The dinner meeting will be held at Asbury church at 3:30 p.m. Thursday.

Davenport will meet Evansville in III Playoff
By The Associated Press
Davenport and Evansville will collide in a best of seven series, the Three I League playoff championship.

The final round opens Tuesday night at Evansville. The first two games will be played there before the series shifts back to Davenport for two contests. The remaining games, if necessary, will be played in Evansville.

Williams, Kell, Dillinger Lead AL At The Plate

Chicago, Sept. 12.—(P)—The same familiar names — Ted Williams, George Kell and Bob Dillinger — stayed at the top of the American league's batting honor roll last week.

But there was a slight change in their percentages in statistics through games of Sept. 11. Williams, of Boston, dropped one point from the preceding week to .352. Detroit's Kell, in second place, lost two points to .339, and Dillinger, of St. Louis, one point, to .319.

There were two new entries into the leaders' circle during the week. Bobby Doerr of Boston and Hoot Evers of Detroit. Doerr went into a tie with Johnny Pesky of Boston for seventh place with .305 and Evers into a tie for tenth with Roy Sievers of St. Louis with .297.

Dom DiMaggio of Boston held on to fourth place with .314, Dale Mitchell to fifth with .313, and Cass Michaels of Chicago to sixth with .306. Vic Wertz had ninth place by himself with .301. A week ago Wertz and Sievers were tied for eighth at .302. Vern Stephens of Boston dropped from the leaders during the week but continued to lead in most runs batted in—146.

Williams led in four other departments: most runs, 136; most hits, 182, most doubles, 38, and most homers, 37. Mitchell's 22 triples was tops.

Dillinger added another stolen base for a total of 17 to lead that division.

Allie Reynolds of New York, not a leader in the preceding week, took over pitching leadership with his 16 and 4 count, good for .800 average. Virgil Trucks of Detroit was tops in strikeouts, 141. Mel Parnell of Boston had the most wins, 24, and the most complete games, 24.

Graziano Predicts He Will Knock Out Fusari In Third

New York, Sept. 12.—(P)—Rocky Graziano, trim and ready, today predicted he will knock out Charlie Fusari in three rounds when they meet at the Polo Grounds Wednesday night.

The former 160-pound champ broke camp at Summit, N. J., after a long training grind during which he boxed 98 rounds.

"This is the beginning of a new career for me," said the Rock, "the past is forgotten. There's nothing on my mind but Fusari and I'm not worried one bit."

"I'm going to knock him out. I'm personally picking myself to win in three rounds, but Charlie may run. If he does, it will take me a little while to catch him, but I'll knock him out."

Fusari boxed two rounds at Pompton Lakes, N. J., making it 31 rounds of preparation. He weighed 148 pounds at the end of his final drill. Graziano scaled 158.

The New Jersey welter, who knocked out Vince Foster in one round last winter, also was confident.

"If Rocky comes in at me as I expect him to do," said Fusari, "I can finish him as quick as I did Vince Foster."

Graziano, who returns to a New York ring after a two-year exile by the state athletic commission, is the favorite. The odds are fluctuating between 5 to 6 and 5 to 7.

Reports from the International Boxing Club indicates a gate of between \$200,000 and \$250,000.

The bout will be broadcast but there will be no television. Ring time is 8:00 p.m. (C.S.T.).

Sport's Hall Of Fame To Be Made At Rutgers U.

New York, Sept. 12.—(P)—Rutgers university at New Brunswick, N. J., where the first college football game was played 80 years ago, will be the site of the sport's Hall of Fame.

A committee of leading grid authorities picked the spot where Rutgers and Princeton clashed Nov. 6, 1869 for the national shrine.

The selection was approved by the American Association of Football Coaches and the National Football Writers Association.

Members of the selecting committee included Kenneth L. (Tug) Wilson, Western Conference commissioner.

Cardinals, Yankees Loom As Favorites In Major League Chases

By Jack Hand
New York, Sept. 12.—(P)—Baseball took a deep breath today before plunging into the final three-week scramble that will send the two survivors into the world series.

At the present moment, the St. Louis Cardinals and New York Yankees have to be favored to make the grades. Both have a lead and both have the schedule running for them.

The Cards gazed fondly on a 11 game lead over Brooklyn as they enjoyed the wide open date that left all 16 clubs idle. Tomorrow night they resume the battle, opening a 12-game home stand with a series against the New York Giants.

After the long stay at Sportsman's park, Eddie Dyer's gang finishes up its schedule with five on the road, at Pittsburgh and Chicago.

Brooklyn, fearful that short-stop Pee Wee Reese may not be fit for action, left for a 10-game road jaunt, opening in Cincinnati tomorrow night. The "Big" games remaining on the national schedule are the three between the Cards and Dodgers at St. Louis Sept. 21-22. They play a day-night doubleheader Sept. 21 and a night game the next evening.

Play At Home Twice
Only two more Ebbets Field games are listed for the Brooks in their remaining 16 contests. Their trip takes them to Cincinnati for two, Pittsburgh for two and Chicago for three before hitting St. Louis. On the night of Sept. 22 the race may have been decided.

After the final Intercontinental series, the Brooks return to the east for four with the dangerous Philles and two with Boston Braves.

The rest of the teams in the national will be playing for third place, now snugly held by the Phils, fourth place money or exercise. Chicago still is hopeful of escaping from the cellar where the Cubs have resided since mid-June.

Boston's double loss Sunday at Philadelphia while the Yankees swept a pair from Washington broke open the American league chase.

The Yanks, with a three-game edge and 15 of 19 remaining games at home, are in a fine spot. Only a

Gavilan, Stabbed In Neck, Says He'll Fight Sept. 30

New York, Sept. 12.—(P)—Cuban welterweight fighter Kid Gavilan, stabbed in the neck in a Harlem street fight, said today he was going through with a bout in Chicago Sept. 30.

Gavilan was stabbed while driving his new gold-colored automobile through Harlem early yesterday. Five stitches were taken in his neck. The fighter told newsmen, "I'm all right. I'll be able to go through with the Beau Jack fight."

Earlier Angel Lopez, Gavilan's manager, said while the fighter's wounds were not serious the Chicago bout would have to be postponed at least two weeks.

Gavilan praised Private Detective Philip Anderson for rushing to his aid after three men pulled the fight out of his car after a horn-blowing incident. Anderson was stabbed in the face.

"This man (Anderson) saved my life," Gavilan said. "The man who got away had a gun at my back."

Police seized two of the three men who allegedly assaulted Gavilan. Wilber Heath, 23, and Theodore Smith, 34, were arrested and charged with felonious assault and illegally carrying weapons. They denied stabbing the fighter. Both men were held in \$1,000 bail each for a hearing next Monday.

Annie Oakley was the greatest woman rifle shot the world ever has known.

Council Talks Plans For Giving Front Of Fire House New Look

A new front for the fire house, with removal of two piers as the main object, is under consideration by the city council. Elimination of the piers dividing the doors used by fire fighting equipment would give the trucks considerably more room in which to enter Douglas avenue. Councilmen were agreed at last night's meeting that the job should be done, but the project will depend on when and how it can be financed.

Alderman Reid of the fire committee discussed changes in the fire station which have been made necessary by the arrival of the aerial ladder truck. Plans call for further bracing of the floor and widening of doors.

Alderman Chumley suggested that the entire front of the fire house be worked over. He said an architect should be engaged to make a survey of the building with a view to strengthening it and removing the piers, giving fire trucks an unobstructed path in which to leave and enter.

Mayor Hoagland commented that the work is needed and spoke favorably for an architectural survey.

The council convened for the first time in two weeks, having dispensed with a meeting last week on account of the Labor Day holiday.

Funds Transferred

A resolution was passed on motion of Alderman Hanel, seconded by Alderman Flynn, transferring \$5,000 from the water department special fund to the general fund, as a charge for use of streets and in lieu of taxes.

Another resolution authorized payment of legal fees and expenses in connection with the \$27,000 bond issue for park improvements. Payment of \$680.54 to Walter Belati, special counsel for the bond issue, and \$75 to Chapman and Cutler for examination of the bonds was voted on motion of Alderman Chumley, seconded by Alderman Baker.

Alderman Brune reported that numerous truck drivers from out of

To Maintain Star Mail Route From City To Havana

There will be no immediate change in the operation of the Jacksonville-Havana star mail route, the post office department in Washington Monday notified Congressman Sid Simpson of Carrollton, representative of the 26th Illinois district.

Earlier the department announced it contemplated shortening the route, running it between Virginia and Havana only.

This important twice daily mail route makes connections at Havana with Peoria and other northern cities. Mail service from Jacksonville would be seriously delayed if the route had been discontinued.

Officers Elected At Family Reunion

George Kemp was elected president at the Roesch-Kumle reunion Sunday at the home of Harry Kumle of Alexander. Vogli Kumle is vice president and Mrs. Ann Ryan, secretary-treasurer.

Mrs. Mary Kumle was the oldest person present and the daughter of Mr. and Mrs. S. B. Kumle, Jr., was the youngest. William Wadsworth had been married for the longest time and Mr. and Mrs. E. B. Kumle, Jr. for the shortest.

Committees for 1950 include Mrs. Ivan Crawford, Mrs. Welma Hofferkamp, publicity; and Mildred Roesch and Louise Weigard, entertainment.

Next year's reunion will be conducted the second Sunday in September at the George Kemp residence in Girard.

Passavant's First Nurse Celebrates 85th Birthday

By Mari Kaler

Miss Dora B. Moore, the first nurse to be trained at Passavant hospital, observed her 85th birthday anniversary Monday.

For the occasion, Miss Moore suffered a paralytic stroke three years ago and has been a patient at the hospital since, was permitted to sit up and receive her friends in the chapel.

A large number called to extend best wishes and many sent flowers and gifts and congratulatory messages. Birthday cake and other refreshments were served.

In her more than 50 years in the nursing profession, Miss Moore worked in the hospital at the Illinois School for the Blind, under the supervision of Dr. George L. Drennan, and also did private duty. She continued to be active in her profession until her health failed.

Miss Moore has always been fond of nursing and was experienced in caring for the sick even before she began her studies at Passavant hospital under two German-Lutheran nuns, Sister Mary and Sister Caroline.

It was with the aid of these two teachers that Miss Moore planted the center row of trees across the hospital lawn, which now tower above the roof of the building.

Throughout the years, Miss Moore has maintained a glowing pride in her profession. She admires the nurses at the hospital and is deeply appreciative of the kindnesses which they show her.

Passavant hospital is to her like home and she is very happy to be there, although her role is just the opposite of what she would wish.

Meredosia Pupils Like 'Hot Lunch Period'

The first graders line up at the serving table for their midday hot lunch at Meredosia grade school.

At the serving table, left to right, are Mrs. Howard Kirgan and Mrs. Edward Beauchamp, Doris Potter, Iris Gregory, Josephine Fuelling, Earlene Floyd and Andrea Surratt.

Student assistants from the sixth and seventh grade. The other cook, Mrs. Alice Welch, is in the background. Principal Walter O. Cook stands at the right.

Fresh, pasteurized milk is an important part of the daily hot lunch program now popular in all of the larger schools of Morgan county. To the young diners, it's either "white milk" or "black milk," plain or chocolate flavored. Both come in disposable waxed half-pint cartons, complete with straws.

Eleven milk enthusiasts are shown at one of the tables in the main dining room: They are, clockwise, Norma Plunkett, Anna Perry, Joyce Rausch, Vivian Easley, Grace Easley, Carol Kibler, Joyce Norrup, Judy Major, Joyce Pond, Opal Bradley and Kay Jean Kibler.

Older boys and girls do much of the necessary labor.

What had been a neglected storeroom is now the main dining room at Meredosia grade school. The room was cleared of its contents, the walls painted, suitable lighting installed, folding chairs and tables acquired.

At the present time nearly 200 pupils are eating their lunch at the school. Later in the season, this figure will jump to around 300.

Lunch costs 25c. Local purchases of foods are supplemented from time to time with surplus canned and packaged goods provided by the Commodity Credit corporation. But sometimes these surplus commodities are difficult to blend into a balanced diet.

The faculty is made up of Janice Norrup, first; Alleane Willis, second; Virginia Dietrick, first and second; Lucille Lacey, third; Mary Hatfield, fourth; Alice Bartholomew, fifth; David Orchard, Bernice Edlen, Naomi Carnes, LaBelle Merriman, departmental, Walter O. Cook, principal.

Maxine Ruebush, Bob Goodpasture Wed In Good Hope

Concord — Miss Maxine Ruebush, only daughter of Mr. and Mrs. Carl Ruebush of Good Hope, became the bride of Robert Goodpasture, son of Mr. and Mrs. Roscoe Goodpasture of Concord, Sunday, Sept. 4, at 3 p.m., at the Methodist church in Good Hope.

The double ring ceremony was read by Rev. Robert Pitsch of Concord. Miss Jane Noper of Good Hope, soloist, was accompanied by Mrs. Burdette Knappenberg of Sciota. Ushers included Byron and John McGinnis of Jacksonville and Charles Elliott of Washington, cousins of the bridegroom.

The bride wore a gown of ivory slipper satin, fashioned with long pointed sleeves and a net yoke trimmed with a lace ruffle. A wide ruffle of the same lace encircled her waist, and the skirt fell into a full train.

Her fingertip blusher veil of illusion, trimmed in lace, was held in place by a tiara of pearlized orange blossoms. She carried a shower bouquet of gardenias and wore a strand of pearls, gift of the bridegroom.

Mrs. Charles Elliott of Washington was matron of honor. First Lieutenant Charles Goodpasture of Camp Lee, Va., served his brother as best man.

A reception followed in the church parlors, with Mrs. George E. Young of Monmouth, Mrs. Ross McFarland and Miss Wilma Gelmacher of Good Hope and Miss Ann Bradley of Tigerton, Wis., assisting.

Mr. Goodpasture was graduated from Good Hope high school in 1945 and attended MacMurray College for two years.

Mr. Goodpasture was graduated from Arenzville high school in 1945, attended Illinois College and served in the Army Air Force. At present, he is engaged in farming with his father, where the couple will live until work on their own home is completed.

Jacksonville guests attending were: Mr. and Mrs. Cecil Wegehoff and Richard, Miss Nina Richards, Mrs. Grace McGinnis, Mrs. Ella Wiswell, Mr. and Mrs. John Ginder and Mr. and Mrs. Charles Clark and Floyd.

Brogdon-Dixon Rites Saturday

Miss Mildred Dixon and Floyd Brogdon of this city were united in marriage Saturday at 2 p.m. at the Salvation Army headquarters in Springfield.

Attending the couple were Mr. and Mrs. Roy Brogdon, cousins of the bridegroom.

The bride chose a light green checked street-length dress trimmed in black satin. The bridegroom wore a brown business suit.

Mrs. Brogdon is the daughter of Mrs. Joseph Dixon of Jacksonville, and the late Mr. Dixon. Mr. Brogdon is the son of Mr. and Mrs. Irvin Brogdon, also of this city.

They are residing at 1514 Center street, Jacksonville.

White Hall—The First Presbyterian church of White Hall was the scene of a lovely wedding Saturday afternoon at 3 o'clock, when Miss Charlotte McConathy, only daughter of Mr. and Mrs. A. R. McConathy, became the bride of Harold Harvey, son of Mr. and Mrs. H. C. Harvey of Webster Groves, Mo.

Mrs. Mamie Moulton, organist of the church, presented a concert prior to the double ring ceremony, which was performed by Dr. L. L. Lettwith, dean of men at Culver-Stockton college in Canton, Mo. He was assisted by the pastor, Rev. Walter Wilson. Miss Mary Jean Griswold sang.

The bride, given in marriage by her father, wore a white satin gown with fitted bodice and long sleeves pointed over the hands. The high neck was fashioned with a Peter Pan collar trimmed in seed pearls. Tiny self-covered buttons came to the waist, and the full hoop skirt

ended in a short train. Her finger tip veil hung from a tiara, also trimmed in seed pearls. She carried a corsage of white gladioli centered with an orchid, and wore a single strand of pearls, gift of the bridegroom.

Dolores Connrod, Grace Elaine Giller and Sarah Griswold were bridesmaids and Dolores Harvey, sister of the bridegroom, served as maid of honor. The attendants' formal wear was fashioned after the bridal gown.

Eugene Mikus of Chicago was best man. Ushers were John Langley of Chicago, Dale McConathy, also of Chicago, brother of the bride, and Carroll Allen of St. Louis, cousin of the bride.

The bride's mother was attired in a dark brown crepe afternoon dress with green accessories. The bridegroom's mother chose a blue satin dress with grey accessories, and the bride's grandmother, Mrs. A. A. Thompson, chose a black ensemble. All three ladies had gladioli corsages.

A reception followed at the country home of the bride's parents, with Misses Joyce Forrester and Nancy Griswold serving.

The couple left for a short wedding trip, after which they will reside in a trailer camp at Culver-Stockton college, where Mr. Harvey is a junior. The bride was a student at the same college for two years and is a member of Alpha Xi Delta sorority.

Among the out of town guests were Mr. and Mrs. Lee Husted and Mrs. Emma Thompson of Jacksonville; Mr. and Mrs. Frank Hopkins and daughter, Suzanne; Mrs. V. J. Allen and daughter, Sarah; Mrs. John Everett, Bradshaw, Mr. and Mrs. A. B. Mansfield and son, George David, of Jerseyville; Mr. and Mrs. Earl Kistler and Mrs. Everett Mehl of Carrollton; and Mr. and Mrs. Jess Fuller of Winchester.

Illinois Has Paid Vets 313 Million In Soldier Bonuses

Chicago, Sept. 12 — (AP) — Illinois has paid \$73,292 of its World War I veterans a total of \$313,465,328 in soldier bonuses to date, Admiral John Downes said today.

Downes, who is director of the service recognition board, called it the "largest bonus any state has ever paid."

He said each claim costs the state an average of \$3.95 to process. The average payment is \$364.

Failure of a veteran to prove his Illinois residence is the No. 1 cause for bonus denials, Downes said.

Downes said there is more than enough money left over from the state legislature's appropriation of \$385,000,000 to pay off all future claimants.

The soldier bonus plan was passed by a special session of the legislature in 1946. It was drafted by a fact-finding committee and was supported by former Governor Green.

Cost of the bonus is to be met by bond issue retired over a 20 year period.

Ex-Convict Recaptured Near White Hall; Two Others Still At Large

Carrollton—One of three ex-convicts who slugged Sheriff Arthur Powell and escaped from the Greene county jail Saturday night, was recaptured Monday night about 6 o'clock in a manhunt which spread throughout Greene county Sunday and Monday.

Arthur KeKsinger, a federal parolee from Carrollton who was being held on charges of burglary and larceny, was picked up near White Hall when he attempted to hitch a ride with a trucker.

He is being held in the jail at White Hall.

The search for the other two escapees, Ernest Snyder and Dudley Watson, has been intensified since it was discovered that the two purchased food Monday at a Hillview store.

Search By Airplane

Sheriff Powell has directed a search by airplane, automobiles and law enforcement officers on foot. The sheriff is still nursing a swollen jaw, but remained on the job with only a small amount of sleep in several days.

Sheriff Powell, who had been on continuous duty 36 hours, said the prisoners attacked him in the jail "bullpen." One of them felled the sheriff with a punch to the jaw, after which the trio fled out the front door of the jail at about 8 p.m.

The sheriff was alone with the prisoners at the time. Snyder had

feigned illness and the sheriff was putting him back in the bullpen after an examination by a doctor when the break occurred.

Sheriff Powell said he had picked up Snyder and Watson in nearby New Providence, Ill., and was holding them for Denver authorities.

Denver police, Powell said, were seeking extradition of Snyder and Watson on charges of burglary and warrant. They also are wanted by the FBI for violation of the federal auto theft law, the sheriff said. He said both have served several prison terms.

Former Roodhouse Resident Dies; Rites Wednesday

Roodhouse—Mrs. Emily O. Duncan passed away Sunday evening at 7 o'clock in Chicago at the home of her son, George. A former Roodhouse resident, the decedent was 89 years of age.

The daughter of James and Margaret Day Manion, Mrs. Duncan was born in Vandalia Feb. 18, 1860. Her husband, George W. Duncan, preceded her in death.

Surviving are two sons, George of Chicago and Charles of Joliet; four daughters, Mrs. Mary Serrilis of Roodhouse; Mrs. Lettie Helm of Chicago, and Mrs. Minnie Wallman and Mrs. Grace Dulin of Bloomington; 22 grandchildren, 27 great grandchildren and seven great great grandchildren.

The body has arrived at Mackey Funeral Home, where it will remain until the hour of the funeral. Services will be conducted Wednesday at 2 p.m. in the local Baptist church by Rev. H. L. Jarvin.

Burial will be in Fernwood cemetery, Roodhouse.

Eileen E. Lowder Weds F. E. Sabo In Waverly Rites

Waverly—At 4 p.m. Sunday Sept. 11, in the Waverly, Christian church, Eileen E. Lowder, daughter of Mr. and Mrs. Everett Lowder of Waverly, became the bride of Frank E. Sabo, grandson of Dr. and Mrs. E. W. Crum, also of Waverly.

In the presence of the immediate families midst the setting of white lighted candles and pink and white gerber flowers, the vows were received by the pastor of the church, Rev. Stanley Johnson. Mrs. Johnson playing the wedding march and the recessional.

The attendants were Mr. and Mrs. Irvin Staton, Jr., of Waverly.

The bride was attired in a dark green satin dress, street length, and wore a corsage of red roses. Her attendant wore blue satin with a corsage of red roses.

A reception was held at the home of the bride's parents, after which the couple left for a short wedding trip. They will reside in the Dixie apartment in Waverly.

BACK FROM WESTERN TRIP

Weds 50 Years, Couple Renew Marriage Vows

One of the most beautiful and impressive golden weddings held in Jacksonville occurred at Grace church Sunday Sept. 11, 1949, when Rev. and Mrs. C. A. Sullivan of this city renewed their marriage vows before about 400 guests.

The Rev. Frank Marston, pastor of the church, officiated.

The altar was decorated with lovely fall garden flowers, flanked with chrysanthemums and roses.

After the ceremony, the party proceeded to the basement where a reception was held and refreshments served.

Mrs. G. O. Webster had charge of the music for the wedding using the traditional wedding marches. Miss Helen Potter sang "At Dawning" by Cadmen, and "Because" by Hardelot.

Music for the reception was provided by Miss Helen Potter, Charles Covey and Charles Love, accompanied by Mrs. G. O. Webster at the piano, after which there was group singing of "When You and I Were Young, Maggie," and "Put On Your Old Gray Bonnet," with Mrs.

Edgar Martin at the piano and Mrs. Arthur Shenkel as song leader.

Rev. C. A. Leonard acted as Program Leader.

A group of short talks was given by visiting pastors and the mayor of the City of Jacksonville, and two original poems were read by friends.

Many beautiful and useful gifts among them a large wedding cake presented by the church at Witt, where the church and parsonage were built and dedicated free from debt, under the pastorate of Rev. and Mrs. Sullivan.

Guests from out of town were from Bath, Indiana; Manchester, Medina and Witt, Philadelphia, Pa., New Castle, Ind., Muncie, Ind., and Chicago.
